Assistant Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

In the Office Action dated September 8, 2000, the Examiner required restriction to one of the following species:

- Species 1: shown by Figs. 1-6;
- Species 2: shown by Figs. 7-10;
- Species 3: shown by Figs. 11 and 12;
- Species 4: shown by Figs. 13-16; and
- Species 5: shown by Figs. 17-24.

Applicants elect Species 5 with traverse. By the Preliminary Amendment submitted herewith, all independent claims of the above-identified patent application have been amended to be identical to the allowed claims of the parent application. The independent claims are generic to all of the embodiments disclosed in the application, and are in condition for immediate allowance based on the previous examination in the parent application. Therefore, it is submitted that the dependent claims directed to the non-elected embodiments are entitled to remain in the pending application.

If a telephone interview would be helpful in resolving any outstanding issues relating to the present case, the Examiner is respectfully requested to call the undersigned attorney at 612.336.4617.
